### CAMPOUT INFO:

October 24th (this Friday!) to around noon on Saturday (25th).  
Everyone who is coming to the campout, regardless if they are staying the night or just coming out for the night, **MUST** attend a really brief presentation at the end of the meeting. It won't take long!

Location: Lake Bryan Campgrounds (directions will come via email!)  
Signups will take place at the brief campout meeting at the end.

If you are planning on just coming out for the evening at NOT spending the night, then you have to leave the campsite by 11:00 pm for risk management purposes.
